

Laundet One Shot

Premium laundry detergent

Laundet One Shot is an efficient and easy-to-use commercial and domestic laundry liquid. Its one-shot formula incorporates a powerful surfactant and alkali builder system, together with anti-redeposition agents and optical brighteners. Laundet One Shot

works great in front and top loading washing machines.

BENEFITS

- Premium Quality - A high quality, professionally formulated laundry liquid.
- High Performance – Specifically designed to provide high performance laundering and maximum removal of protein and organic soiling.
- Washing Machine Compatibility – It's low foam formula and rapid dissolving characteristic make it ideal for both front and top loading washing machines.
- Fibre Care – Laundet One Shot contains specialty fibre care agents which not only promote soil release but also leave the fibre free of abrasive encrustations.
- No Greying - Sophisticated anti-redeposition agents prevent fabric greying

Where to use

- Suited for use in all domestic and industrial automatic washing machines.
- Excellent for use in aged care and community facilities, clinics, hospitals, hotels, motels, clubs, pubs, restaurants, etc.

DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use

Dilution & Application:

- Optimum results are obtained above 40°C. Ideal temperature being 55°C. Avoid using at over 65°C.
- Lightly soiled fabrics: Use 20-25g per Kg of washing.
- Heavily soiled fabrics: Use 30-40g per Kg of washing.
- Soaking: Dissolve 100g in 5 litre warm water and soak soiled fabrics for 2-3 hours.
- Follow machine manufacturer's directions for cleaning procedures.
