

Dishwash Deluxe

Premium dishwashing powder

Dishwash Deluxe breaks through food and beverage soiling without the use of harsh caustics and chlorines. Employing latest technology and smart chemistry it cleans, sanitizes, de-stains and contributes toward the non streak no spot drying of washed items. The clever choice

for café's pubs, clubs, restaurants and homes which use under counter dishwashers.

BENEFITS

- **Enzyme Power:** Dishwash Deluxe makes full use of a unique enzyme blend to digest food soiling and provide an effective clean.
- **Oxygenated** – This formula is strongly oxygenated to provide powerful bleaching, de-staining and sanitizing action.
- **Care** – Dishwash Deluxe, although exhibiting outstanding cleaning action, contains no harsh caustics or chlorine. Takes ultimate care of crockery, silverware and cutlery and will not tarnish aluminium items.
- **Safety** – Dishwasher Deluxe, although alkaline, is significantly safer to use, store and transport than tradition dishwasher powders.

DIRECTIONS for USE

Read safety directions before use.

1. Dishwasher: Follow the machine manufacturers guidelines.
2. As a guide, 35-45g of Dishwash Deluxe per load is sufficient.

TIPS

- For best results use in conjunction with AP220 Spotless rinse aid.
- Regularly check that the dishwasher is functioning correctly
- Regularly check for obstructions in the wash and rinse nozzles.
