

# Multisan

Food area spray & wipe

Multisan is professionally formulated, spray n' wipe, hard surface cleaner. Thanks to modern technology, it boasts outstanding grease cutting ability and leaves no residue, apart from a surface active antibacterial agent. It combines the advantages of a number of different

cleaning principles to make it an excellent all-rounder.

**Approved for use in food preparation and manufacturing environments. AQIS approved.**

## BENEFITS

- **Cleaning Power** – Quickly penetrates and emulsifies oil and fatty deposits.
- **Food Safe** – Only food safe approved ingredients are used. AQIS approved
- **Anti-bacterial Action** – Contains an effective antibacterial agent which helps create germ free surfaces.
- **Anti-static Action** – Its antistatic characteristics make it very effective for the removal of soiling from plastics and for the removal of air conditioning soiling, soot and other charged soils.
- **Multi-Task Cleaning** – Ideal for a wide range of hard surface cleaning applications in homes, offices, schools and institutions.

## WHERE TO USE

**Commercial Kitchens** – Ideal for cleaning equipment, counters and other hard surfaces.

**Canteens** – Excellent for cleaning tables, chairs and benches.

**Home** – An ideal multi-task cleaner for tables, chairs, counters, laminex and tiled surfaces.

## DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use

Pre-test in an inconspicuous location for substrate chemical sensitivity before use.

## Dilution

- Dilute 50ml to 200 per litre of water (1:20 -1:5). Depending on the severity of the soil to be removed.

## Cleaning

- Apply solution to the surface to be cleaned using a spray bottle.
- Agitate and wipe dry to a clean surface using a dry absorbent cloth.
- AQIS specifications require surfaces to be rinsed with potable water.

## Tips

- Keep container closed for maximum performance.
