

Shine

Stainless steel polish and cleaner

Shine, is a top value cleaner and polish for highly polished or brushed metal surfaces. Only non-toxic and food grade oils used. Excellent for use in food preparation areas.

BENEFITS

- Excellent polishing & cleaning action.
- Excellent for food preparation areas, non-toxic, colour free and odour free. Will not taint food with colour or odour.
- Provides easily achieved shine.
- Resists finger marks
- Will not smear when used as directed

Where to use:

- For use on highly polished or brushed metal surfaces.

DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use

Cleaning

1. Do not dilute – use as is.
2. Spray onto surface or apply using a lint free cloth (do not use paper towel) Do not over apply.
3. Clean the surface whilst spreading and removing excess polish.
4. Buff to a rich shine.
5. If the surface has a brushed finish, always work in the same direction.
