

Saniclean

Degreaser, sanitiser and cleaner

Saniclean is a heavy duty degreasing detergent with outstanding sanitizing capabilities. It is an innovative blend of specialty surfactant chemistry, alkalinity, solvent and QAC biocide. It delivers exceptional cleaning and sanitization for hard surface applications

in food preparation areas, food factories and commercial kitchens.

BENEFITS

- Premium Cleaning – Using specialist emulsification chemistry Saniclean provides powerful degreasing capability
- Sanitization Power – Saniclean provide effective sanitization at a dilution of 1:50 as per independent micro-lab testing.
- AQIS approved – Carefully formulated for safe use in food preparation areas.
- Surface Safe – Saniclean contains no chlorine and does not etch or damage kitchen surfaces including stainless steel, enamel, vinyl, plastic, tiles and grout when used as directed.
- Multi-Tasking – Saniclean provides the ideal solution for cleaning and sanitizing floor and all hard surfaces. Ideal for use as a sanitizing spray n wipe cleaner when diluted 1:50.

WHERE TO USE

Cleaning of floor and hard surfaces in commercial kitchens and food manufacturing facilities.

The simultaneous degreasing and sanitizing of butcheries and abattoirs.

Bathrooms, shower cubicles and change rooms.

Veterinary hospitals and kennels.

DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use

How to use

- For general heavy duty cleaning and sanitizing, dilute 1:10 to 1:50 (100 to 20ml per litre of water).
- Apply the solution to the surface being cleaned using a mop bucket or autoscrubber.
- Agitate and allow at least 5 minutes dwell time for effective sanitizing action.
- Rinse well with clear water
- For shower cubicles use undiluted through spray bottle.

Tips

- Use hot water for improved sanitizing action
- Keep container closed to retain maximum performance.

PRODUCT SPECIFICATIONS

pH: 12 - 12.5

Dilution: See above

Fragrance: None

Safety: Irritant

Colour: Clear orange liquid

Packaging: 5Lt & 15Lt
