

Forest Fresh

Multi-purpose disinfectant

Forest Fresh is a neutral anti-bacterial all-purpose detergent ideal for the cleaning and sanitizing of bacteria sensitive areas. It utilizes a combination of bacteria destroying germicides and a pleasant perfume to effectively deodorize and freshen a wide

variety of areas. For areas such as sick bays, hospital wards, change rooms etc, where odour control is an issue, Forest Fresh makes an ideal all-round cleaner for all hard surfaces. It removes the bad odour-generating bacteria, rather than masking them.

BENEFITS

- Anti-Bacterial - Will efficiently kill a wide spectrum of bacteria (Commercial Disinfectant Grade), including organisms such as pseudomonas, Escherichia coli and staphylococcus aureus.
- Potentiated - Contains an effective surfactant and wetting agent, which enhances the ability of the sanitizer to effectively penetrate and destroy the bacteria.
- Deodorizes - Has a fresh, lingering floral fragrance.
- Versatile - Cleans and sanitizes in one operation.
- QAC Based - Based on a QAC type disinfectant (Alkyl benzyl ammonium chloride – sometimes known as benzylkonium chloride).
- Surface Safe - Safe to use on all types of floors, whether sealed or not. Will not dull polished flooring.

DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use
Always pretest the cleaning solution on the surface to be cleaned.

Dilution

- For cleaning and sanitizing hard surfaces, dilute 40ml per litre of water (1:25).
- For cleaning and sanitizing floors or general deodorizing, dilute 20ml per litre of water (1:50).
- If large amounts of organic matter are present Forest Fresh should be used more concentrated than indicated above.

Cleaning

- Apply solution using clean equipment.
- Scrub if soil is stubborn. Allow at least 5 minutes contact time for maximum anti-bacterial efficiency.
- Rinse with clear water if desired.
- Soak bed pans etc, in Forest Fresh solution for 5 minutes or longer before rinsing.

PRODUCT SPECIFICATIONS

pH: 7.5

Fragrance: Crisp forest pine

Safety: Non hazardous

Colour: Light yellow liquid

Packaging: 5Lt & 15Lt
