

# Floor Cleaner

Heavy duty cleaner for tiles & hard surfaces

Floor Cleaner is a game-changer in commercial cleaning. Powerful enough to be used as a high-performance degreaser, while still being friendly to the environment and gentle on floor surfaces. Not only is this product economical due to its high concentration, but Floor Cleaner also works fast and effectively, making it an excellent choice for the

busy contractor focused on achieving beautifully clean tiles, quickly and effortlessly. Floor Cleaner is a versatile cleaner for all surfaces and is the ultimate penetration concentrate for grease and oil. It is totally eco-safe, biodegradable and naturally formulated with nano emulsification.

## BENEFITS

- Floor Cleaner removes oils and grease fast and effectively.
- Leaves the surface clean, sanitised and streak free.
- Can be used as a degreaser at low dilutions and as a spray & wipe at high dilutions.
- Powerful germ killing action.
- Safe for use in all types of cleaning equipment.
- Eco safe. Contains no phosphates.
- Anti-resoiling technology means that surfaces repel dirt.
- Environmentally friendly.
- Septic safe.

CONTROL

## DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use

Pre-test in an inconspicuous location before use.

## Dilution & Application:

- Floor cleaning (mop & bucket): 1:50 (20ml/Lt)
- Floor cleaning (autoscrubber): 1:150 (7ml/Lt)
- Spray & Wipe (heavy duty): 1:80 (15ml/Lt)
- Spray & Wipe (general cleaning): 1:100 (10ml/Lt)
- Pressure washing: 1:100 (10ml/Lt)

## Cleaning:

1. Apply cleaning solution using a clean cloth, mop or through an auto-scrubber (scrubber-drier)
2. Rinse well with water when strong dilutions are used.
3. Keep container closed for maximum performance.

## PRODUCT SPECIFICATIONS

**Product code:** AP705

**Fragrance:** Eternity

**Colour:** Clear, light tan liquid

**Packaging:** 5Lt, 2.5Lt & 1Lt Chamber Bottle
