

# Shower Cleaner

The ultimate shower cleaner & sanitiser

The Actichem Responsibly Green Shower Cleaner is a bold step into the future of modern cleaning chemistry. When using this product, you will find unique features that you don't find in any other shower cleaning product. Shower Cleaner is designed to be the most effective and versatile product of its kind.

The powerful and effective cleaning action from naturally derived ingredients, makes it a dream product for cleaning sports change rooms and locker rooms in corporate buildings, while the fresh, distinguished fragrance makes it an attractive option in household shower cleaning. Whatever or wherever your shower is located, this product will care for it to perfection.

## BENEFITS

- Powerful cleaning action that removes soap-scum, hard-water stains, biological growth and body fats fast and effectively.
- Boosted with enzyme based odour control to destroy odours in the shower and even in drains.
- Destroys germs and bacteria to a hospital grade.
- Anti-resoiling technology means that shower surfaces repel dirt and will become easier and easier to keep clean.
- Environmentally friendly.
- Septic safe.
- Leaves the shower with a fresh, clean fragrance.
- Leaves shower fittings gleaming and spot free.

## DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use

Pre-test in an inconspicuous location before use.

## Dilution & Application:

- Light soiling - 1:300
- Heavy soiling - 1:100

## Cleaning:

Using a spray bottle, apply shower cleaner directly to all surfaces in the shower stall.

Allow 5 mins contact time with surfaces, before agitating with a clean cloth or soft scrubbing pad.

Rinse with clean water and allow to dry.

Glass surfaces can be polished to a dry, streak-free finish using a microfibre cloth.
