

Autoplus

Premium laundry powder

Autoplus is a professionally formulated laundry powder with enzyme power and oxygenated destaining action. Excellent for use in hospital and community facilities where anti-bacterial cleaning action is required with effective stain removal in hot or cold water.

BENEFITS

- Anti-bacterial Power – Autoplus provides powerful anti-bacterial action at low temperatures as low as 35°C. Ideal for maintenance of germ free laundered items as well as the laundry equipment.
- Odour Neutralising – Autoplus not only deals with odour causing germs but oxidises mal-odour molecules keeping your laundry fresh and odour free. Especially important for sports items.
- Enzyme Action - Powerful, pH stable enzymes burst through tough organic soiling.
- Stain Removal – Provides effective removal of tough body fluid, medicinal, food and beverages stains

Where to use:

- Suited for use in all domestic and industrial automatic machines.
- Excellent for use in aged care community facilities, clinics, hospitals, hotels, clubs, pubs and restaurants.

DIRECTIONS for USE

Read safety directions before use.

CLEANING

- Lightly soiled fabrics: Use 12 - 15g per Kg of washing.
- Heavily soiled fabrics: Use 16 - 20g per KG of washing.
- Soaking: Dissolve 50g in 5 litre warm water and soak soiled fabrics for 2-3 hours.
- Follow machine manufacturer's directions for cleaning procedures.

TIPS

Keep container closed to retain maximum performance.
