

Spray & Wipe

Germ-destroying, streak-free multi-purpose cleaner

The Actichem Responsibly Green Spray & Wipe is designed to be used as an all-in-one bio-cleaning concentrate cleaning product ideal for multi surface use. It is formulated using dynamic emulsification chemistry coupled with polymer, non-smear, anti-resoiling technology. This is further enhanced with a professional scent and is entirely safe for

our environment. A truly remarkable product for multi-task cleaning and sanitising in a wide variety of applications.

BENEFITS

- Boosted with Elimotech odour control technology for optimum mal-odour removal while cleaning.
- Powerful germ killing action for sanitised, safe surfaces.
- Provides rapid removal of greasy and oily deposits.
- Polymer chemistry ensures non-smear results.
- Anti-resoiling technology means that surfaces repel dirt.
- Environmentally friendly.
- Spray & Wipe is ideal for all hard surfaces, including walls and floors. It is suited for use in a spray bottle or mop bucket. Regular use eliminates the need to use harsh, deep clean chemicals.

DIRECTIONS for USE

Read and understand the Safety Data Sheet (SDS) before use

Pre-test sensitive substrates for chemical sensitivity.

Dilution & Application:

- General cleaning: Dilute 1:9 (100ml/Lt)
- Heavily soiled surfaces: Dilute 1:4 (200ml/Lt)
- Autoscrubber/mop: Dilute 1:80 (12.5ml/Lt)

Cleaning:

- **Kitchens & Washrooms:** Use Spray & Wipe diluted 1:4 - 1:9 with clean water for general cleaning. Apply with a spray bottle or cloth. Allow 10 minutes dwell time if positive sanitisation is required. Use Spray & Wipe mixed 1 part with 80 parts water for mopping floor tiles.
- **Housekeeping:** Mix Spray & Wipe 1 part to 9 parts water for spray 'n wipe tasks in all general housekeeping applications. Mix 1 part to 8 parts water for floor mopping.

Actiflow Dispenser:

Use an Actiflow dispenser and applicator bottle for accurate, easy & safe dispensing.
