

Orange Solvent

Citrus blend for gum & oily stain removal

Orange Solvent is a super strength blend of DiLimonene terpene solvents and emulsifiers for removing tough gum, oily soils, grease and paints. Orange Solvent has been specially designed to enable effective rinsing with clean water or

extraction detergent solution.

Orange Solvent is ideal to use on all carpet fibres, fabrics and hard surfaces. However some surfaces are solvent sensitive including various carpet backings, some plastics and polymer coatings.

BENEFITS

- **Powerful** – A high-performance water rinseable blend of terpene solvents, wetting agents and emulsifiers.
- **Oil stains** – Removes tough oily stains, paints, cosmetics, grease, oily spots, adhesives and most inks.
- **Gum removal** – Demonstrates outstanding removal of gums, bitumen, tar and rubber marks. Works quickly and effectively.
- **Equipment cleaning** – Perfect for use as powerful cleaner for all types of industrial equipment.

DIRECTIONS for USE

Always pretest in an inconspicuous location for fibre and dye sensitivity. Do not use on solvent sensitive surfaces including bitumen backed carpeting.

1. Sponge or scrape up any surface spot material.
2. Apply Orange Solvent to a clean white absorbent cloth and apply to spot.
3. Orange Solvent can also be applied to severe stains and hard surfaces using a trigger spray bottle
4. Blot or tamp to remove spot. Do not rub. Deep spots may need light brushing. Work from outside to centre of large spots.
5. Repeat if necessary.
6. Rinse / Extract with warm water or an emulsifier solution.

PRODUCT SPECIFICATIONS

pH: N.A.

Dilution: Ready to Use

Fragrance: Citrus

Safety: Hazardous

Colour: Clear, water white liquid

Substrate Suitability: All fibre safe

Packaging: 500ml, 5Lt & 15Lt
