

# Gum Gone

Powerful aromatic solvent for oily spots

Gum Gone is a super strength blend for removing gum, grease, tough oily soils and paints. It is formulated to work fast, even on tough gums and stubborn grease that other solvents can't manage. A very valuable tool in the professional cleaner's arsenal.

## BENEFITS

- Powerful** – A high performance blend of aromatic solvents and emulsifiers.
- Oil Stains** – Removes grease, tough oily spots, adhesives and most inks.
- Gum Removal** – Employs the most effective “gum-removal” solvent to rapidly break down the gum structure and release it from the surface.
- Paint Spots** – Works a treat on oil and water based paint spots.

## WHERE TO USE

- Actichem Gum Gone is ideal for use on all carpet types. However do not use on bitumen backed carpeting.

## DIRECTIONS for USE

Always pre-test in an inconspicuous location for substrate sensitivity to chemicals. Do not use on acrylic, plastic or other solvent sensitive surfaces including bitumen and latex backed carpeting.

## Application:

- Sponge or scrape up any surface spot material.
- Apply Actichem VDS to a clean white absorbent cloth.
- Blot to remove spot. Do not rub. Deep spots may need light brushing. Work from outside to centre of large spots.
- Repeat if necessary.
- Extract with warm water or an emulsifier solution.
- Brush fabric to align fibres.

## PRODUCT SPECIFICATIONS

**Product code:** AP483

**pH:** N/A

**Colour:** Water white

**Fragrance:** Solvent

**Packaging:** 500ml, 5Lt & 20Lt
